Note: Feature updates might be carried out periodically without prior notification to provide a better user experience. Please contact us via Chat Support for assistance regarding the platform.

Whiteboard

Teachers can now scribble and annotate using the **Whiteboard** feature available in the “**Teaching Resources**”. Use the diverse set of tools to add colour, shapes, and text to create the Whiteboard.

Follow the given steps to create a **Whiteboard**:

Go to the “**Teaching Resources**” tab and click on “**My Resources**”

Select the “**Whiteboard**” tab and click on “**New**”

Feature Release

Scribble the content on the Whiteboard and click on “**Save**”

Once the teacher creates and saves a Whiteboard, it can be shared with the students of an individual class. Teachers also have the option to download or delete the Whiteboard when needed.

Note: Whiteboard cannot be deleted once shared with the class.

Feature Release

Teachers can access shared Whiteboards from the “**Teacher’s Content**” section in the “**Classrooms**” tab, and students in the class can access them as well.
